DRESS CODE

We want to help our students create a good self-image for themselves, which is vital to good Christian growth. To do this, we feel that we must encourage cleanliness and dress that is becoming of young ladies and gentlemen in accordance with the principles of modesty set forth in Scripture. Students should dress in a way that neither dishonors God nor draws inappropriate attention to themselves. The dress standards which follow are intended as expressions of these principles. At FCA, we believe that the way we are dressed is the first and simplest form of communication about ourselves. Therefore, we have a dress code for our lower school students (**kindergarteners through grade 6**) while they are developing and learning good dress habits. For our upper school students (**grades 7-12**), we have developed a dress code which we believe includes sufficient latitude for individual expression and taste.

One of the most difficult tasks for administration is the determination of modesty, which is often at odds with cultural fashion trends. Please, do not put administration in a difficult position. We do not want to cause any embarrassment by having to notify a student that their attire is inappropriate after they have arrived at school. Modesty is a somewhat subjective interpretation, but one we have a duty to uphold. Before students leave home each day, it is the parents' responsibility to see that their student is dressed properly for school according to the dress code (**K-12**). If a student is out of dress code, they may be required to change before returning to class (at admin discretion based on the number or type of dress code infractions). For specific consequences following dress code violations, please see the Discipline and Consequences Chart in the full handbook.

*****Please note that the 7th-12th grade dress code applies to parent/guardian volunteers who are on-campus during the school day.*****

1. Attire should reflect a formal family occasion (like a wedding) rather than a night on the town or evening at a club.
2. Dresses that are too revealing, exposing midriffs or cleavage, or are shorter than mid-thigh are not appropriate.
